***LIFE SAVING TRAINING***

**TRAINED, EXPERIENCED & QUALIFIED**

### Do You Know?

- What the single key to safe driving is?
- What "Totality of Circumstances" is?
- 3 State Law phrases that are key to YOUR defense?

**2TR Driving Seminar will answer those critical ?'s and you will learn:**

- 10 Intersection clearing techniques.
- The good, the bad & the myths of lights & sirens.
- EMS Crash factors & how to eliminate them.
- & Much much more!

### Do You Know?

- What physical & emotional responses from trauma exposure are normal?
- How not coping by 1 responder affects the safety & health of many?

**2TR Career Survival will answer those life saving ?'s and you & your loved ones will learn:**

- What & Why hyper-vigilance is essential for survival.
- Adrenaline dump concerns & recovery time.
- Keys to staying healthy.

**"The program on Emergency Response Liability and Driving Strategies will reduce accidents associated with the individual firefighter's responding to emergency calls.**

**Those family members that attended the Emergency Responder Career Survival presentation were given the tools they need to support the emergency responders in dealing with the trauma, stress and grief."**

***R. Scott A. Baker Attorney at Law***

**"Best lecture of EXPO! Applied perfectly to EMS! Extremely helpful!"**

***2011 EMS EXPO Attendee***
